

A VIRTUAL IDENTITY AS POTENT AS YOUR REAL ONE WILL MEAN THAT THERE WILL BE A LOT OF THINGS THAT YOU COULD DO BY A CLICK OF THE MOUSE

pune@2015

If the PMC CIO's Pune 2015 vision is anything to go by, we could see technology take the city into the future a lot faster

You iLife

This will be the second life, only better. A single id governing all the lines of your life... **Submit your photo & thumb print to your ward office. Verification will ensure that you're not an 'evil' or 'evil' in disguise.**

Punecard

Imagine you have a single card which will take care of many of your transactions within the city. This card... **What - We'll collect your thumbprint and use it to verify your Punecard. You will also be issued one of your Punecard.**

Unwiredpune

By 2015, Pune will become the country's first city to be serviced and will have device connectivity across the city... **Life will open up a whole new world for you. You need not be a tech geek to use this. You can use it to do things that you can't do now.**

Wikifor all

Wiki pages will make you a part of the administration. You can suggest... **yourname@punecity.gov.in/site**

THE FACILITATOR

PMC CIO Anupam Saraph does not believe in enforcement and his Pune 2015 vision reflects just that

VISHAL SARGADHAR

PMC Chief Information Officer Anupam Saraph's ambitious Pune 2015 vision is not an official document or a plan of action... **Saraph also plans to make the project viable and run it almost totally by private players.**

Anupam Saraph, PMC Chief Information Officer

A TASTE OF THE FUTURE

Submit your photo & thumb print to your ward office. Verification will ensure that you're not an 'evil' or 'evil' in disguise.

What - We'll collect your thumbprint and use it to verify your Punecard. You will also be issued one of your Punecard.

Life

Life will open up a whole new world for you. You need not be a tech geek to use this. You can use it to do things that you can't do now.

Punecard

Your Punecard would be capable of doing a lot that your credit card does, apart from being able to be used for paying for most things.
